FOR ONCE  
 IN YOUR LIFE  
 THE VERY BEST

In a world that gives in a little more each day to plastic prefabrication and cost efficiency, there are few and far between who still produce uncompromised craftsmanship. One is our S.T. Dupont factory-workshop, located in the heart of Paris, in the shadow of Mont Blanc. That is where our S.T. Dupont writing instruments, cigarette lighters and other accessories are made. They are made by the kings, maharajahs, sheikhs and captains of industry who have been among our clientele for almost 200 years. They are made by men who are slightly more convenient. The S.T. Dupont Boutique, 680 Madison Avenue, New York City, 10021. For more information, call (212) 599-4224, or write for our catalog.
